

RBW-1500S

Thermal Banner Welder

Royal Sovereign's professional vinyl welding machine is the fast and easy solution for finishing vinyl banners. The RBW-1500 welding machine allows one person to create thermal welds on large and small banners, providing a clean professional edge.

Royal Sovereign Advantages

- Ultra Strong Vinyl Welding
- Safe for Full Bleeds
- Fast and Easy
- Weld Any Length
- One Person Operation

The RBW-1500S is a high quality, affordable thermal welding machine specifically engineered for users to easily and professionally weld up to 18 ounce vinyl banner material. Built for safety and ease of use, this compact machine is perfect for welding, hemming, creating rope pockets and pole pockets, and much more. It has a durable, sturdy frame construction and requires little assembly and minimal maintenance. The included adjustable height stand with castors makes it easy to move around the workshop.
